* Previously we had the youngest male top eight placer as 16y 345d Solomon Tsige ETH 3 Oct 04, but the Ethiopian Athletics Federation have confirmed that his birthdate was not October 24, 1987 as submitted in 2004 but actually January 21, 1985

Previously we had as the oldest competitor as 50y 173y Ayele Setegne ISR 1 Oct 05, but it has been clarified that this man was actually born in 1962 and not 1955 as given on entry forms. Therefore he was 43 years old in 2005 and not 50. It is correct that April 11, 1955 is his official birth date according to his Ethiopian passport and Israeli identity card. The 1955 date is from the Ethiopian calendar which runs seven years later than that in common use. An actual birthdate of April 11, 1962 has been confirmed by the athlete, and to the IAAF by the Israeli AA, who explain that for official purposes he must use the earlier date as this is what appears on his Israeli papers, which apparently cannot be changed
