100 Years of Athletics Excellence

IAAF Centenary - 17 July 2012

On the 17 July 1912 in Stockholm, Sweden, following the closing ceremony of the Olympic Games in the Swedish capital, the **International Amateur Athletic Federation (IAAF)** was founded by 17 nations who saw the need for a world governing authority, for a competition programme, for standardised rules and technical equipment and for a list of official World Records. **The IAAF**, which in 2001 changed its name to the 'International Association of Athletics Federations,' will turn 100 years old on 17 July 2012.
