Looking ahead to... IAAF Diamond League

The international outdoor track and field season blasts out of the blocks in May with the opening meetings of the [IAAF Diamond League](#), the top tier invitational circuit which offers **8 Million USD in prize money**. The IAAF Diamond League features 14 meetings in Asia, Europe, the Middle East and the USA, with the stars of 32 event disciplines contesting the **Diamond Race**, a season long points battle to decide who is the best in the world at each discipline.

The beginning of May also sees the beginning of the 16th edition of the [IAAF Combined Events Challenge](#), a series of 15 meetings around the world featuring the Decathlon and Heptathlon, which will decide who'll share over 200,000 USD in prize money when the season ends in Talence, France, on the weekend of 14-15 September. The series kicks off at the famous Multistars - Trofeo Zeneri Acciai meeting, in the Italian city of Florence on 2-3 May.
