Looking ahead to... indoor and cross country action

The end of January witnessed the start of the [2012 IAAF Indoor Permit Meeting](#) season with the inaugural edition of the U.S. Open at New York City's famed Madison Square Garden (28 Jan). This new meeting in the newly renovated venue signalled the start of an action-packed four-week series of the world's 8 finest indoor athletics competitions which ends in Stockholm (23 Feb), following which the season concludes with the [IAAF World Indoor Championships, Istanbul 2012](#) (9 - 11 Mar). And just as the indoor halls of the northern hemisphere are set to buzz with excitement, the [2011/2012 IAAF Cross Country Permit](#) season of 12 meetings, which began in Burgos, Spain, on 13 November 2011, continues on 12 February in Chiba, Japan. The series concludes four meetings later in San Vittore Olona, Milan (18 Mar).
