WORLD & CONTINENTAL INDOOR RECORDS

(As at January 31, 2012)

The best indoor performances on record – as agreed by the world's leading statisticians – were accepted as the inaugural IAAF World Indoor Records from January 1, 1987. Exactly twenty-five years later, the first official list of IAAF World Junior Indoor records were established in the same circumstances. Note that marks set on oversized tracks (OT) or by relay teams with mixed nationalities (§) are not accepted as records. Where relevant, the pace is given for world record performances. Where known, the time given is that of the runner who set the record, rather than the pacemaker.

Thank you to the websites, administrators and statisticians for the following continental confederations: Asia: www.asianathletics.org; Europe: www.european-athletics.org; South America: www.consudatle.org; North America (USA): www.usatf.org; Oceania: www.athletics-oceania.com. For Africa and Central America, no official indoor records are listed and here we are showing the best performances on record by athletes from those areas.
