Looking forward to a busy summer of athletics action

The summer season is well and truly in full swing. The IAAF Diamond League, IAAF World Challenge, IAAF Combined Events Challenge, IAAF Hammer Throw Challenge and IAAF Race Walking Challenge have all commenced and will pave the way to the peak of the season, the IAAF Continental Cup Ostrava 2018.

For young athletes, meanwhile, the focus of this year will be the IAAF World U20 Championships Tampere 2018, which will take place from 10-15 July.

May isn’t even over, but there have already been some scintillating performances to whet the appetite for what looks set to be an exciting year of athletics action.
