Notes:

Additional Implements may be added to the approved list, if requested by Member Federations directly or by Manufacturers with the endorsement of a Member Federation, by 28 February 2020, and if supplied to the LOC free of charge. All such implements must have IAAF certification and must be approved by the IAAF Technical Delegates. Six items of each implement must be supplied by the Member Federation or Manufacturer concerned and must be sent to the LOC by 30 April 2020 at the latest.

Personal Implements will also be allowed, providing that:

- they are readily identifiable and are IAAF certified
- they are not already on the official list
- they have been checked for compliance with IAAF Rules
- they are made available to all the other athletes until the end of the Final of the event

In order to speed up the checking in of eligible personal implements, please come prepared and consult the IAAF list on the website (<https://www.iaaf.org/about-iaaf/documents/technical>) in advance to identify the implement noting its IAAF certification number.

If you do not find your implement in the list but you believe that it is/was certified, please contact the IAAF office at technicalofficer@iaaf.org so that its status can be checked and confirmed to you and the LOC in due time.
